San Cong. Relations

29. (Unclassified - THW) LIAISON Karen Hoppe, in the office of Representative J. Danforth Quayle (R., Ind.), called asking whether the Agency had yet published an unclassified report on Soviet civil defense. I told her that the matter was still under consideration but that no such report had been issued as yet and I was unable to give her any date when such a report might be published. I offered again to brief the Congressman on Soviet civil defense at his convenience. She said she would speak to him and get back to me.
